This bet by the way is named after the initiator: warmist Rob Honeycutt, who has pledged to match all the bets from the cool side, up to \$5000.00, and is happy about the money from the losers going to charity (That's very generous of him :)). I've been in e-mail contact with Rob, and he really is a good guy. He means well. And if the cool side can get that many pledges from the coolists ...

Problem, research strategy, and findings: Planners commonly recommend compact development in part as a way of getting people to drive less, with the idea that less driving will lead to more sustainable communities. Planners base their recommendations on a substantial body of research that examines the impact of compact development on driving.
