

### **architectural research paper topics pdf**

To the OP, I assume this is more of an opinion piece instead of a research paper you're chasing. Perhaps you can take a building component (say a brick for example) and chase its history and use in your city's important buildings.

### **Hot topics in Architecture for a research paper | Forum**

As in the architectural field, we will use the term design research as a broader and perhaps more inclusive representation of the study of design that incorporates not only design science (cf. Vaishnavi & Kuechler, 2004), but episodic research into designs of artifacts involving participative design, action research, ethnography, etc. (Groat & Wang, 2002).
