The Working Committee has had different levels of in the party at different times. In the period prior to independence in 1947, the Working Committee was the centre of power, and the Working President was frequently more active than the Congress President.

Congress Working Committee - Wikipedia

In economics, hyperinflation is very high and typically accelerating inflation. It quickly erodes the real value of the currency, as the prices of most or all goods increase. This causes people to minimize their holdings in that currency as they usually switch to more stable foreign currencies. Prices typically remain stable in terms of other currencies.

Hyperinflation - Wikipedia
