7.1 The role of the health economist in clinical guideline development. The health economist is a core member of the GDG alongside the rest of the National Collaborating Centre (NCC) or NICE Internal Clinical Guidelines Programme [] team, and should be involved from the beginning of scoping (see chapter 2). The health economist should attend all GDG meetings.

The guidelines manual | Guidance and guidelines | NICE

7.1 Introduction. This chapter describes the role of economics in developing NICE guidelines, and suggests possible approaches to use when considering economic evidence in guideline development. It also sets out the principles for conducting new economic modelling if there is insufficient published evidence that can be used to assess the cost effectiveness of key interventions, services or ...
