Contemporary Sociological Theory 3rd Edition - amazon.com

relate theory to the contemporary world. One tool that has aided me in this task is the second edition of the outstanding reader Classical and Contemporary Sociological Theory by Scott Appelrouth and Laura Desfor Edles. The authors have now come out with a third edition of the text, which I am eager to use in my undergraduate theory class this fall.

Book Reviews 189 - SAGE Publications

His interests include sociological theory, cultural sociology, and social movements. He has taught classical and contemporary theory at both the graduate and undergraduate levels, and has published several articles

in research- and teaching-oriented journals on social movements, theory, and the controversies over jazz during the 1920s and rap during the 1980s.
