Manslaughter is a common law legal term for homicide considered by law as less culpable than murder. The distinction between murder and manslaughter is sometimes said to have first been made by the ancient Athenian lawmaker Draco in the 7th century BC.. The definition of manslaughter differs among legal jurisdictions

Contrary to the way it is frequently portrayed in popular culture, Interpol is not a supranational law enforcement agency and has no agents who are able to make arrests. Instead, it is an international organization that functions as a network of criminal law enforcement agencies from different countries.
