The General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland. Each GCSE qualification is in a particular subject, and stands alone, but a suite of such qualifications (or their equivalents) are generally accepted as the record of achievement at the age of 16 ...

General Certificate of Secondary Education - Wikipedia

Common Entrance Examinations (commonly known as CE) are taken by independent school pupils in the UK as part of the admissions process for academically selective secondary schools at age 13. Ten independent schools select at 11 with a different set of papers. They are set by the Independent Schools Examinations Board. Most of the secondary schools that use Common Entrance for admission are ...
