Government in America helps students see that politics drives what government can or cannot do for the people. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues.

Government in America: People, Politics, and Policy, AP

The American system of government, begun as an experiment in liberty and democracy in 1776, has proven to be remarkably resilient and adaptable. While often categorized as a democracy, the United States is more accurately defined as a constitutional federal republic. What does
