Thank you so much for this tutorial, I recently bought a pattern online only to find it uses a template to make the lone star! I have been searching everywhere for a tutorial that makes sense of it using the strip piecing method, and now thanks to you I can get on with making the quilt I had in mind.

Quilting is the process of sewing two or more layers of fabric together to make a thicker padded material, usually to create a quilt or quilted garment. Typically, quilting is done with three layers: the top fabric or quilt top, batting or insulating material and backing material, but many different styles are adopted. The process of quilting uses a needle and thread to join two or more layers ...
