

newspaper headlines with puns pdf

The headline is the text indicating the nature of the article below it.. The large type front page headline did not come into use until the late 19th century when increased competition between newspapers led to the use of attention-getting headlines.. It is sometimes termed a news hed, a deliberate misspelling that dates from production flow during hot type days, to notify the composing room ...

Newspaper headlines often feature puns, wordplay, and idioms and provide an excellent source of material for language discussion. The shock outcome of the UK general election has had the headline writers working overtime and the results can be seen in The Guardian's roundup of the UK newspapers' front pages. Here, for example, is the front page of the Daily Mail.
