It is easy to imagine Sir William Osler (1849-1919) reading in bed. I do it myself – that was where I read this book. A book open on the dressing table in the morning seems to speak of an age of greater leisure, when surely even physicians had more time.

Sir William Osler, 1st Baronet, FRS FRCP (/ ˈ ɒ̩ z l ɪ ˈ ɛ̩ t m r /; July 12, 1849 – December 29, 1919) was a Canadian physician and one of the four founding professors of Johns Hopkins Hospital. Osler created the first residency program for specialty training of physicians, and he was the first to bring medical students out of the lecture hall for bedside clinical training.
