

project charter examples documents pdf

Project charter is an essential document which states the scope and goal of a project. The statement also provide information on the cost of the project, the resources it would require and how the project can help.

8+ Project Charter Templates - Free PDF, Word Documents

In project management, a project charter, project definition, or project statement is a statement of the scope, objectives, and participants in a project. It provides a preliminary delineation of roles and responsibilities, outlines the project objectives, identifies the main stakeholders, and defines the authority of the project manager. It serves as a reference of authority for the future of ...

Project charter - Wikipedia

If you are looking to begin a project you should start by making a project charter. A project charter is a detailed description of what you aim to achieve in a project and how you wish to do it.
