<http://danddautoworks.biz> The guys at D&D Autoworks talk about why you shouldn't panic when the check engine light comes on.

### **Do not Panic, it is Just the Service Engine Soon Light**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.
