The Kikuyu is the largest ethnic group in Kenya. They speak the Bantu Kikuyu language. At a population of 6.6 million as of 2009, they account for close to 17% of the total population of Kenya. The term Kikuyu is derived from the Swahili form of the self-designation *Gĩkũyũ*. *Gĩkũyũ* means "large sycamore tree", and *Agĩkũyũ* translates to "children of the huge sycamore". The alternative name *Nyũmba ya Mũmbi* translates to House Of The Potter or Creator.

Culture is a learned system of knowledge, behaviors, attitudes, beliefs, values, and norms that is shared by a group of people (Smith, 1966). In the broadest sense, culture includes how people think, what they do, and how they use things to sustain their lives. Cultural diversity results from the unique nature of each culture.
