Tonality is the arrangement of pitches and/or chords of a musical work in a hierarchy of perceived relations, stabilities, attractions and directionality. In this hierarchy, the individual pitch or triadic chord with the greatest stability is called the tonic. The root of the tonic chord forms the name given to the key; so in the key of C major, the note C is both the tonic of the scale and the ...

Basic Tonal Harmony All graduate music students are expected to demonstrate a competency with the basics of tonal harmony (including functional chromaticism). We assess this through four voice partwriting to a given figured bass, harmonization of a simple diatonic melody, and harmonic function analysis using standard Roman numerals to indicate chord function.
